

Regain

Text My Donation

Great news, we are now able to receive donations via a text message through 'Text my Donation'. The process is extremely simple with one only having to text the keyword 'Regain £5 'or 'Tetra £5' to 70085

As easy as that just choose the amount £5 or £10 and put the amount after either keyword Regain or Tetra and send to 70085

Every text will make a difference.

Thank you.
